HYMN FOR SRI LANKA

1. O Father, thou has promised
The isles shall wait for thee
The joyous isles of Ocean
The jewels of the sea
Lo, we this island's watchmen
Would give and take no rest
For thus, hath thou commanded
Till our dear land be blessed.
2. Then bless her mighty Father
With blessings needed most
In every verdant village
By every palmy coast
On every soaring mountain
O'er every spreading plain
May all her sons and daughters
Thy righteousness attain.
3. Give peace within her borders
"Twixt man and man goodwill"
The love all unsuspecting
The love that works no ill
In loyal lowly service
Let each from other learn
The guardian and the guarded
Till Christ Himself return
4. To Him our land shall listen
To Him our land shall kneel
All rule be on His shoulders
All wrong beneath His heel
O consummation glorious
Which now by faith we sing
Come, cast we up the highway
That brings us back the King.

PRIZE DAY REPORT 2009

Rev Sirs,
Ven. Dhiloraj Canagasabey, Archdeacon of Nuwara Eliya
Our Chief Guest today Hon. Shashindra Rajapaksa
Mrs. Lekshika Rajapaksa
Distinguished guests
Loyal old boys
Parents, well-wishers
Members of the staff and
My dear students,

We are indeed privileged and honoured to host Hon Shashindra Rajapaksa, one of the charismatic leaders of Sri Lanka and an old Thomian of S. Thomas' College Mount Lavinia as our chief guest on this special occasion of our school calendar.

Your ready acceptance of my invitation, in spite of your numerous duties is a sure indication of your feelings towards the cause of education in general and this institution in particular.

Hon. Shashindra Rajapaksa after completing his primary education at Mahanama College Colombo, joined S. Thomas College Mount Lavinia for his secondary education and thereafter proceeded to the University of Delhi and returned with a Bachelor of Arts (Honours) degree in Political Science. He then pursued his education further with a Postgraduate Diploma in Business Management at the University of Colombo and also a Diploma in International Relations at the Bandaranaike Centre for International Studies.

Incidentally, Hon. Rajapaksa's son is currently a student at S. Thomas' College, Mount Lavinia and thereby continuing in the Thomian family.

Hailing from a prominent political family of Rajapaksa's, you have been holding distinguished posts as the Private Secretary to the Hon. Opposition Leader from 2002 to 2004, then Private Secretary to the Hon Prime Minister from 2004 to 2005 and thereafter, Private Secretary to his Excellency the President to date.

Sir, you have made us proud by being elected to the Uva Provincial Council as its Chief Minister. I have no doubt that the constituents of your electorate have placed immense trust and faith in you when they voted for you to this high office. Your vision for a "New Uva Wellassa" is both encouraging and inspiring!

In addition to your achievements, you have also been the Basnayake Nilame at the historic Tissamaharama Raja Maha Viharaya and presently the Basnayake Nilame at Ruhunu Kataragama Maha Devale.

I am confident that your education at S. Thomas' College has equipped you with the courage and commitment to work towards a peaceful and prosperous Sri Lanka that all of us yearn and desire.

We also extend a warm welcome to Mrs. Lekshika Rajapaksa, a commerce graduate, who is, I am sure, an encouraging force to her husband and a pillar of strength in his difficult journey as a politician. We are honoured to have you with us this morning.

As all of you are aware, one of the biggest concerns among parents today is finding a school that will give their child a good educational background in a suitable environment and promote total personality development of the child.

Here at S. Thomas' College Bandarawela, we give priority to student discipline along with academic advancement. We have also been endowed with a very conducive environment for mental, emotional, social and physical development of the child. Children of all races, with all religious beliefs grow up in this multi-cultural atmosphere as one large family.

With this in mind, the College provides many co-curricular and extra curricular activities for the benefit of students from varied family backgrounds and diverse talents and interests. We uphold religious beliefs and each religion is respected, taught in a proper manner and religious practices adhered to as an integral part of the school calendar.

The school also actively encourages the participation of sports, social awareness projects and co-curricular activities in keeping with the government's expectations. We believe in encouraging individual skills amongst groups to further enhance the multi-cultural ethnicity of not just Sri Lanka but the world at large.

We pride ourselves on bringing out the best in each individual student. This sometimes involves after school classes where teachers work on a one-on-one basis with the student to enable them to be on par with the rest of their class. We also offer after school classes in Mathematics, English, Science, Sinhala and other academic subjects. Our fully qualified staff conduct these classes with a limited number of students.

S. Thomas' strongly believes that the way forward lies in the core of each individual student and works towards identifying and developing that same core of leadership and to blend diverse elements into a unity that will enable students to obtain a global perspective and respect for one another.

Truly, the way forward may appear to be exceedingly arduous but we are confident that we would press forward with God's grace and guidance and lead the school to greater heights in the coming years.

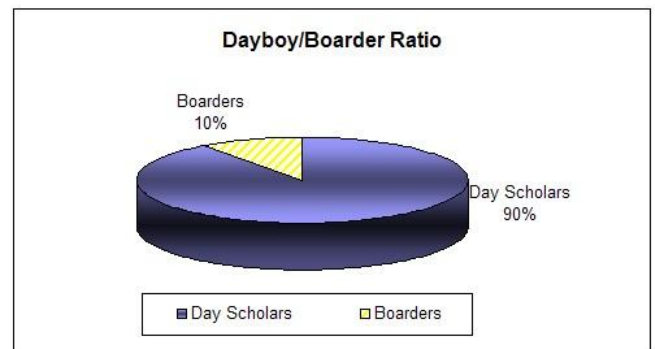

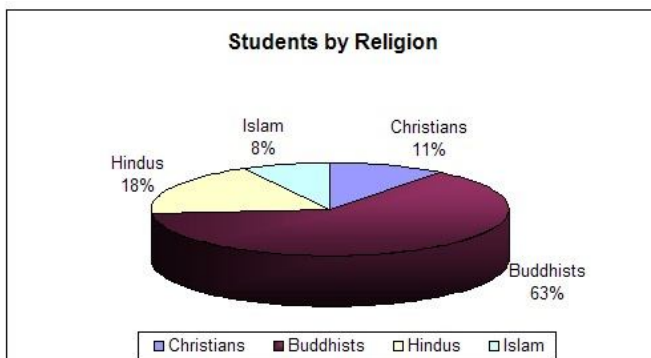

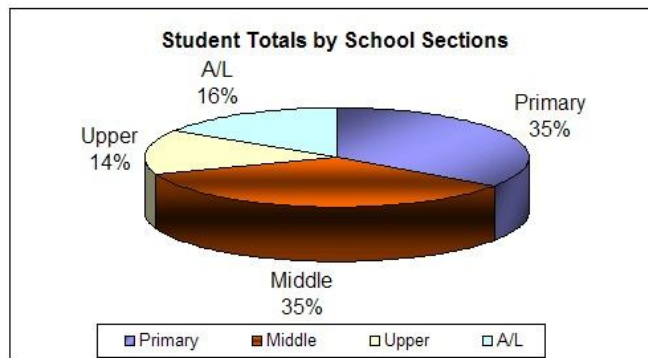

Thank you!

Esto Perpetua!

SCHOOL AND RELIGION

This institution is a unique organization that strives to provide children with a well balanced education. Students are made to understand and respect spiritual and cultural values of the multi racial and multi religious society.

The school as the cradle of our society strives to instill in every student a deep sense of spirituality which begins with regular and organized forms of daily worship conducted by the different religious societies.

All religious societies endeavour to teach, preach, practise and follow good religious principles. They also observe and celebrate the special festivals of their respective faiths with the unstinted exemplary support of the school and all the religious communities with a great sense of love, unity and harmony.

THE STUDENT CHRISTIAN MOVEMENT

Teacher-in-charge: Mr. S. Dason

From its beginning the Student Christian Movement of S. Thomas' College, Bandarawela has been one of the most active clubs of the College and one of its regular features has been the organizing of the Carol Service to mark the birth of our Lord and Saviour Jesus Christ. Last year too this service was held to a large gathering at the Keble Memorial Hall with both the senior and junior choirs taking part.

During the last year the Student Christian Movement together with the Advanced Level students collected essential items such as clothes, shoes, stationery etc to distribute to a less privileged school at Nayabadda.

The five clubs - Library, Gardening, Bible School, Youth and Welfare act in their respective category to provide a better service to the students and thereby making the Student Christian Movement more effective as well.

Regular chapel service is conducted by our Chaplain and Archdeacon of Nuwara Eliya, Ven. Dhiloraj Canagasabey, Rev. Asiri Perera from the Methodist Church and Rev. Paul Priyajayanth from the Church of the Ascension, Bandarawela together with the staff and students. Collection from the service is usually donated to an orphanage or to a home for the elder's.

Finally the Student Christian Movement would like to thank the Chaplain, Rev. Asiri Perera, Rev. Paul Priyajayanth, Staff and each and everyone who assisted in their various activities over the last year.

ENGLISH BIBLE READING CLUB

Teacher-in-charge: Mr. A. Joseph
Consultant: Mrs. J.S. Chandrasekera

Yet another year dawned for the above club to have its activities in its own style.

Yes! As usual we held the Bible Reading Competitions last year too. The 2009 competitions were really remarkable. Why do I say thus? Because they (the participants around 175 Christians and Catholics) showed great enthusiasm towards the competitions. The judges were happy with the performances of the students.

Our thanks go out to all the Christian and non-Christian teachers for their co-operation. Above all we thank the Almighty God for His grace.

BUDDHIST STUDENTS MOVEMENT

Teacher-in-charge: Mr. A.J.M.U.S. Bandara

COLLEGE LIBRARY

Librarian: Mrs. J.S. Chandrasekera

It is with a sense of pride I write this year's report, as we have moved into the newly constructed, airy, spacious and beautiful library from September last year.

Each class from grade six to grade thirteen has a library period once a week. The library being one of our school's greatest assets is well stocked with books, periodicals and magazines. The membership too has grown rapidly. Added to this there are two computers with internet facilities which are used by the Tutorial Staff and senior students.

Ever since getting latest books of educational values from the Asia Foundation and books bought from International book exhibitions etc. the library has become one of the busiest and interesting places of the College. Students and staff interact from 7.30 am to 1.30 pm with fun, though you should observe silence most of the time within its walls. We have assertively taken up this challenge with pragmatic and action oriented approach.

Finally our thanks are due to the following for donating valuable books to the library.

1. Richard Taylor UK – Our Partner School
2. Mrs. Ranji Rajiah – Well Wisher

THE COLLEGE SONG

Thomians young, and Thomians old
Thomians staunch and true,
Rally round the College flag,
The blue, the black and blue.
To your alma mater sing,
Thomians near and far;
Loudly let the echoes ring,
For all we have and are.

Chorus

Esto Perpetua
Esto Perpetua
Esto Perpetua
The blue, black and blue for ever.

Like the serpent keen and wise,
Harmless as the dove,
By the cross we're knit in one,
Holy bond of love.
Loyal to our land of birth
Both in peace and war,
To the College we will sing
For all we have and are.

In the field of intellect,
Many a prize we've won,
And upon the field of sport,
Thomians yield to none
Be it work, or be it play,
We will do and dare
To the College therefore sing
For all we have and are.

We rejoice in victory,
When our foes we beat,
We have learnt when fortune frowns,
How to take defeat.
All unfriendly rivalry
From our lives we bar,
To the College therefore sing
For all we have and are

When into the world we go,
For our life's career,
As the call of duty sound,
We will answer clear,
Onward to the goal we press,
Guided by our star.
To the College therefore sing
For all we have and are.
