HYMN FOR SRI LANKA

1. O Father, thou has promised
The isles shall wait for thee
The joyous isles of Ocean
The jewels of the sea
Lo, we this island's watchmen
Would give and take no rest
For thus, hath thou commanded
Till our dear land be blessed.
2. Then bless her mighty Father
With blessings needed most
In every verdant village
By every palmy coast
On every soaring mountain
O'er every spreading plain
May all her sons and daughters
Thy righteousness attain.
3. Give peace within her borders
"Twixt man and man goodwill"
The love all unsuspecting
The love that works no ill
In loyal lowly service
Let each from other learn
The guardian and the guarded
Till Christ Himself return
4. To Him our land shall listen
To Him our land shall kneel
All rule be on His shoulders
All wrong beneath His heel
O consummation glorious
Which now by faith we sing
Come, cast we up the highway
That brings us back the King.

SCHOOL AND RELIGION

This institution is a unique organization that strives to provide children with a well-balanced education. Students are made to understand and respect spiritual and cultural values of the multi-racial and multi religious society.

The school as the cradle of our society, strives to instil in every student a deep sense of spirituality, which begins with regular and organized forms of daily worship conducted by the different religious societies.

All religious societies endeavour to teach, preach, practise and follow good religious principles. They also observe and celebrate the special festivals of their respective faiths with the unstinted exemplary support of the school and all the religious communities with a great sense of love, unity and harmony.

RELIGIOUS SOCIETIES

THE STUDENT CHRISTIAN MOVEMENT

Teacher-in-charge: Mr. S. Dason

Christian students commence the day with morning worship at the Chapel of the Good Shepherd. Students also join in conducting the worship.

The Student Christian Movement of the College functions under the banner of the SCM of Sri Lanka and is also part of the World Student Christian Federation. It is an inter denominational student body (Roman Catholic, Anglican and other denominations) consisting of schools and universities all over our country and the world.

Just like our parent body, the SCM of our College mainly works with the vision of guiding and strengthening Christian Students to live the way our Lord and Saviour Jesus Christ did, here on earth and to take our Christian responsibilities seriously. It is with this intention in mind that the SCM of our college paid a visit to the Elder's Home at the Church of the Ascension, Bandarawela during the third term. Speaking and sharing our time with them certainly brought a lot of joy to the elders and was a refreshing experience to the students.

Some of the students also took part in a three day youth camp in Kandy. Activities of the camp included building team spirit, worship and leadership. Another aspect of this camp was to identify problems within the Christian community and to face the challenges of the world.

COLLEGE SCM CHOIR

Choristers meet for regular practices on Mondays throughout the year. The main events are the annual Easter Musical Worship and the Service of Nine Lessons and Carols held during the months, April and December respectively.

Other activities during the year 2015 include the participation in the 'Gospel in Music' programme organized by the SCM of S. Thomas' College, Mount Lavinia, Christmas program at Dharmapala College Bandarawela and S. Thomas' College Gurutalawa Carol Service.

Choristers have engaged themselves in other programs of the College that require vocal accompaniment such as the Founder's Day Service, the College Prize Giving and the OBA thanksgiving service.

It is indeed wonderful to note that many young choristers have been identified with gifted voices and with the ability to play musical instruments. Our major task ahead will be to have a good session of voice training by a professional and to teach these upcoming choristers to read music notes.

It is accepted that education is beyond transmission of information. It is the school in which the children begin to interact with larger community and through the daily experience, they gain a wider understanding of the world. The child is socialized and developed as a person, through the teacher pupil and pupil-pupil interaction. Thus education is considered as the second most important influence in shaping personality, next to home. Our school too, as one of the main agencies of personality development, continues to minister with the vision of the founder, with the support of the staff.

THE COLLEGE SONG

Thomians young, and Thomians old
Thomians staunch and true,
Rally round the College flag,
The blue, the black and blue.
To your alma mater sing,
Thomians near and far;
Loudly let the echoes ring,
For all we have and are.

Chorus

Esto Perpetua
Esto Perpetua
Esto Perpetua
The blue, black and blue for ever.

Like the serpent keen and wise,
Harmless as the dove,
By the cross we're knit in one,
Holy bond of love.
Loyal to our land of birth
Both in peace and war,
To the College we will sing
For all we have and are.

In the field of intellect,
Many a prize we've won,
And upon the field of sport,
Thomians yield to none
Be it work, or be it play,
We will do and dare
To the College therefore sing
For all we have and are.

We rejoice in victory,
When our foes we beat,
We have learnt when fortune frowns,
How to take defeat.
All unfriendly rivalry
From our lives we bar,
To the College therefore sing
For all we have and are

When into the world we go,
For our life's career,
As the call of duty sound,
We will answer clear,
Onward to the goal we press,
Guided by our star.
To the College therefore sing
For all we have and are.
